By signing, I understand the Intramural eligibility rules and have completely checked the eligibility of all the players on my team. If there is any discrepancy I will assume full responsibility. Failure to comply with these rules will result in team/individual sanctions as outlined in the "Intramural Sports Handbook". Participants should be aware that there is a risk of injury in participation of intramural sports due to the inherent nature of the activities. The Department of Recreational Sports Programs strongly recommends that all participants have a physical examination and secure adequate medical insurance prior to participation in Recreational Sports programs.
