## King of the Hall 15-Ball Billiards Tournament Rules

### Scoring and Rules:

- Points are accumulated during a total of three games. A game ends when either all balls are pocketed or a foul/failure to pocket a ball.
- Scoring: Legally pocketed object balls have point values of one (1). The game ends when a player has pocket all 15 balls (without missing any shots and without fouling/scratching), so the maximum score for each game is 15 points.
